

RULES ON REGISTRATION OF A NEW LITTER

1. The application for Registration of A Litter (Form 2) must be submitted to the MKA within **ONE (1) CALENDER MONTH** from the birth of the litter, failing which a surcharge will be levied.
2. The late surcharge as follows, if the registration is submitted:
 - a.) More than 1 month but not later than 3 months from the date of litter: RM100.00
 - b.) More than 3 months but not later than 6 months from the date of litter: RM300.00 (Application for more than six months after the birth of litter will NOT be accepted.)
3. It is the responsibility of the applicant to ensure all the necessary details in Form 2 are completed and submitted with the necessary fees and to include TWO (2) photographs of the puppies and puppies with the Dam for approval. **Incomplete Forms and Forms submitted without photographs and payment will be rejected.**
4. MKA will not be responsible for any loss in the normal mail. It is advisable for the applicant to use either Register Post OR Courier service.
5. The MKA reserves the right to inspect all litters, regardless of the number of whelps in each litter. An inspection fee of RM20.00 will apply.
6. Microchip will only be issued to breeders after the Board has approved the photographs OR after a litter inspection has been carried out and approved.
7. Inaccurate, incomplete or false information provided may result in the application to register being refused, and may result in disciplinary action against the applicant.
8. If the application is refused for any reason, a processing fee of RM 30.00 will be charged. The balance of payment will be refunded.
9. On approval, the MKA will return three (3) copies of Form 2 to the breeder together with the required number of microchips.
10. It is the responsibility of the applicant to ensure that the microchips implanted by a certified veterinarian and obtain a certification from the said veterinarian that the implantation had been carried out successfully on Form 2, and to return one copy of Form 2 to the MKA for processing. **Kindly note that the issuance of microchips does not imply that MKA will guarantee the issuance of the Certified Pedigree.**
11. If MKA does not receive the certification of veterinarian form **within (6) SIX months** from the date of issuing of microchips, the application will be rejected without any refund.
12. Only the pick of litter can carry the Affix of the owner of the Stud Dog as a Suffix and in no other fashion. There shall be an additional fee of RM25.00 for every such registration.

AFFIX OF BREEDER (KENNEL NAME)

1. If the breeder does not have an Affix (KENNEL NAME), He/She must apply before or upon the registration of the first litter.
